In Module 8, we'll cover the business aspect of a gunsmith business. Since your business deals directly with firearms, you'll have to follow federal guidelines. The lessons in this unit will cover firearms laws, bookkeeping, trading in firearms and importing firearms.

The lessons in Module 8 have been designed for study in a particular order. This permits each lesson to serve as a foundation for succeeding lessons. For the best results, therefore, you should study these lessons in the following sequence:

Lesson	Title
2203	**Gun Laws and Legislation**
2204	**Setting Up a Business**
2205	**Promoting Your Business**
2206	**Business Records and Bookkeeping**
2207	**Appraising Firearms**
2208	**Trading in Used Guns**
2209	**Selling New Guns**
2210	**Importing Firearms**

Please be sure to submit your exam answers for each lesson as you complete the lesson questions. Additional materials are shipped to you based on your rate of study.

If you should have any questions concerning your lessons, please call Student Services at (480) 314-2102 to request assistance. Provide as much detail as you can in your request and we will respond in a timely manner.

Good luck with your studies!
